

ANCESTOR'S SERVICE.

Any woman may be eligible to membership in the Society who is above the age of eighteen years, and is descended from an ancestor who assisted in establishing American Independence during the War of the Revolution, either as a military or naval officer; a soldier or a sailor; an official in the service of any of the thirteen original Colonies or of the United Colonies or States, or of Vermont; a member of a Committee of Correspondence or of Public Safety, or a recognized patriot who rendered material service in the cause of American Independence; or from the mother of such a patriot.

When the applicant derives eligibility of membership by descent from more than one ancestor, and it is desired to take advantage thereof, the history of each of said ancestor's services and the intermediate generations of the pedigree may all be written upon these pages; but it is desired that the history of each ancestor shall be written upon a separate blank, when possible.

State fully such documentary or traditional authority as you found the following record upon, and also the residence of ancestors, if known.

My ancestor's services in assisting in the establishment of American Independence during the War of the Revolution were as follows:

As Major in the New Jersey Militia he was present at some (if not all) of the following battles and engagements: -
 Quinton Bridge; Hancock's Bridge; Three Rivers, Conn.; Long Islands; Trenton; Assunpink; Princeton; Germantown; Monmouth: (see "Official Register of Officers & Men of New Jersey in the Revolutionary War," Page 365.) Also Major Hall and sixteen other patriots (most of them commissioned officers) were specially designated by name as being proscribed by the British Government because of their active services in behalf of the American Revolution: (see the Proclamation of Colonel (British) Mawhood, commanding in New Jersey, dated Mch 21. 1778. in "Historical Account of Salem in New Jersey," pages 158-160.)
